

Explore the 2019 Maserati Levante near Norwood

Tuesday, 15 January, 2019 | [Boch Exotics](#)

The Maserati Levante has been a favorite Maserati model among Norwood drivers ever since it was released in 2017. But this Maserati SUV has undergone some noteworthy changes over the generations. The new 2019 Maserati Levante, in particular, offers more options than any other previous generation of Levante SUVs. Interested in learning more? Here's why you'll love the new 2019 Maserati Levante:

- A wide range of Ferrari-built V8 and V6 engines provide ample power
- Adding to the Levante and Levante S are two new models, the Levante GTS and Levante Trofeo, which provide even more performance potential
- All 2019 Levante models provide a touchscreen infotainment system & smartphone integration
- Parking sensors, a backup camera, and blind spot monitoring are standard
- Leather upholstery and heated power front seats are standard; silk upholstery is optional
- Pricing ranges from under \$80,000 to under \$200,000, depending on trim & options

Discover Your Ideal Levante Model Today

Ready to find the new Levante SUV that works best for your needs? Contact us or stop by our new & used Maserati dealership to compare Levante trim models and take a test-drive today!
