You know what they say about dogs being "man's best friend". Here's a shout out to all you dog lovers of all gender identities in and around Charlotte – we know that nothing can replace the love and adoration you have for your dog, and vice versa. And while a BMW X1 – or any vehicle for that matter – may not provide you the same kind of adoration, it certainly is a vehicle that beckons to be driven, tested, and loved.

Plus, thanks to its generous suite of standard and available features, its practicality, and its roomy interior, the BMW X1 makes a great choice for any dog lover looking to adventure anywhere in greater style, elegance, and sport. From one of the largest cargo holds in its class, and an available fold-flat rear-seat, to durable, luxurious BMW SensaTec upholstery or genuine leather, to available xDrive all-wheel-drive, the BMW X1 makes the perfect dog-lover's vehicle in so many ways!
